2017 AMERICAN EAGLE
AN ICON OF AMERICAN LUXURY
The American Eagle shares its namesake with our national bird. The bald eagle became a symbol in 1782 when it was placed on our country’s Great Seal (after six years of design). During that time, the country was home to 100,000 nesting bald eagles, but their numbers dwindled in the 1900s. In 1940, Congress passed the Bald Eagle Protection Act, making it illegal to possess, kill, or sell an eagle. Today, Klamath Basin is home to the largest concentration of bald eagles in the Lower 48. Visit America Coach’s Heart and Soul page at americancoach.com to plan your Klamath Basin trip.
Leaders are like eagles. They don’t flock. You find them one at a time. So it’s only fitting that American Coach chose to name its most iconic Class A motor coach after one of our country’s greatest icons — the American Eagle. Riding on a custom Liberty Chassis®, the Cummins ISX15 delivers the best-in-class 600HP, while luxury is taken to new heights throughout the coach. Beautiful design, intuitive amenities and flawless engineering make this motorhome a rare American luxury.
The master suite elevates luxury even further, featuring American Coach’s exclusive Serenity Max Series king mattress with adjustable his and her sections, complete with memory foam and integrated massage. The headboard itself is hand-crafted.
The 2017 American Eagle is a symbol of luxury, delivering progressive design throughout impeccable interiors. In fact, it’s the infinite details of this motor coach that count. From the automotive-designed dash with French-stitched seams to solid-surface countertops with pencil-edge treatment, the American Eagle makes a statement everywhere you look.

### Interior

#### General Amenities
- 30” Deep Full Wall Slide-Out
- 3 Hardwood Ceiling Plenums w/Integrated HVAC
- Solid Radius Hardwood Cabinetry w/Full Insert Door Design
- Hardwood Radius Countertops
- Chrome Door Pulls/Handles
- Hardwood & Fabric Window Treatments
- Wood-Trimmer Fan-Tastic® Rain Sensor, Power Roof Vents w/3-Speed Fan (3)
- Flush Bolt Latch Hardware on Pocket Doors
- Interior MultiPlex Power Management System
- Maple-Lined Cabinet Interiors
- Premium Radius Hardwood Face-Framed Cabinetry, Molding & Slide-Out Trim
- Polished Porcelain Tile w/Room Border & Decorative Glass & Stone Inserts
- Leather Smart Wheel w/Power Tilt, Tip, Telescope
- Tag Axle Dump Switch

#### Driver Convenience
- Adjustable Brake & Throttle Pedals
- Auxiliary LED Fog Lamps
- Auxiliary Start Switch
- Chrome Heated Side-View Mirrors w/Remote Adjustment, Turn Signal Indicators, Integrated Side Vision Cameras
- Driver & Passenger LED Reading Lights
- Air Horns
- Cockpit JBL Audio Package
- LED Cluster Head Lamps
- I.C.C. Light Switch
- Keyless Entry Door Access w/Key Fob
- Ergo Dash Design w/Backlit Switches
- Digital LCD Instrument & Gauge Display Panel w/Visual Customization
- Stitched French-Seam Leather Dash Cover
- Matte Finish Teak Veneer Dash Inlay
- Dual Zone HVAC w/Dedicated Passenger Control
- Multiple USB Dash Receptacles
- Power Memory Driver Seat
- One-Piece Windshield Bonded to Fiberglass & Steel
- Power Driver Window
- Powered Cockpit Privacy, Vinyl Linen Window Shades & Light Blocking Blinds
- SGM Dash Climate Control System w/Defrost Booster
- Leather Smart Wheel w/Power Tilt, Tip, Telescope
- Tag Axle Dump Switch

#### Technology
- Color Rear Camera Display w/One-Way Audio
- Sony® Rear-View Camera
- Dual 10” Xite Display Monitors for Radio w/GPS Navigation & Sirius® Satellite Radio. Cameras, System Monitoring
- Pressure Pro Tire Monitoring
- iPad Integration to Dash w/Power & Storage Behind iPad (iPad Repeats Xite Monitor Functions)
- AUX-Zone Distributes Video to Front TV for NAV/Backup Monitor/DVD
- Dual Monitors Displays Weather/Fuel Saver, Traffic Conditions, Time & Outside Temp
- Rand McNally RV Navigation
- Bluetooth Phone & Music
- Cradpoint WiFi Router w/Range Booster & 3G/4G
- RVC iPad & Android App for Silverleaf Total Coach Control System
- Crestron® App—iPad & Lights, Blinds & Audio/Video Control

### Optional
- Canadian Standards Build
- Custom Interior Request
- Factory V.I.P. Delivery
- High Gloss Wood Cabinetry

- Two 1900 CCA Maintenance-Free Chassis Batteries
1. THE INDUSTRY’S LARGEST STORAGE — The Liberty Chassis design creates extreme pass-through basement storage space for taller compartments, easier access and loads of room. The American Eagle also features a one-key system for all storage and power door locks with key fob on select doors.

2. ZF DOUBLE WISHBONE INDEPENDENT FRONT SUSPENSION AND PREMIUM SACHS® SHOCKS — The front suspension features a 60-degree wheel cut for unmatched handling backed by the dependability of the ZF name, while custom-tuned Sachs shocks heighten comfort and increase safety.

3. FREIGHTLINER ULTRASTEER I-SERIES — The UltraSteer I-Series tag axle enhances independent suspension to provide an overall-improved ride, quality, and stable drivability to deliver complete control and precise maneuvering in all conditions.

4. V-RIDE™ SUSPENSION — The V-Ride drive axle suspension features increased towing capacity, allowing you to carry more gear while providing a durable, comfortable ride.

5. BENDIX® DISC BRAKES — Bendix all wheel air disc brakes deliver uniform stopping power and better steering control, while reducing brake fade and stopping noise.
AMERICAN EAGLE

SERVICE BACKED BY AMERICAN PRIDE  American Eagle is backed by American Coach’s RV OWNERCARE warranty program, a limited one-year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first. And with each warranty comes a network of trustworthy dealers and regional technical centers ready to get you back on the road.

American Coach is part of REV Recreation Group, a division of REV Group, Inc., a family of 26 industry-leading motor vehicle brands. At REV Group, we innovate, design and build products that connect and protect thousands of people every day—our trusted vehicles are engineered with the utmost rigor and precision to deliver the highest levels of performance, reliability, durability and safety.

IMPORTANT — PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.AmericanCoach.com or contact your local American Coach dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. American Coach has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e., occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle’s capacities are not exceeded.

DISCLAIMERS
1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo-carrying capacity.
2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
3. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to American Coach and chassis manufacturer’s manuals for complete information.
4. Length measured from front bumper to rear bumper (excludes accessories).
5. Excludes safety equipment and awnings.
6. Motor homes feature a body width over 96” which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
N/A = Not Applicable
† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.
†† The Minimum Towable Load of this vehicle is the available weight capacity, up to GCWR, when the coach is fully loaded to maximum GVWR. However, if the coach is loaded to something less than maximum GVWR, that extra available weight capacity can be added to your Towable Load. For example, if your coach is loaded to 1,000 lbs less than maximum GVWR, your Towable Load increases accordingly. Do not exceed the hitch rating weight, GVWR or GCWR.
* UVW and OCCC are found on the label containing the federal certification tag in each RV.
** All 2017 REV Recreation Group motorhomes include a limited one-year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first, and is fully transferable for the first 12 months.
